

LECTURE SERIES IN COSMOLOGY – 11th November, 16

As 2017 will be celebrate the 100 years for the Cosmological Constant in Einstein Model for the Creation of the Universe. In this regard the Department of Mathematics, BBDNITM organized a Lecture Series on “Cosmology” on 11th November, 16 in Dr. Akhilesh Das Gupta Auditorium, BBD Campus, Lucknow. The Occasion was graced by the presence of Dr. M. M. Verma, Professor in the Department of Physics, Lucknow University. Prof. Verma is renowned scientist in the field of Cosmology. He blessed the participants for their commendable efforts in throwing light on the 100 years of development in Cosmology. The Organized Lecture Series was prepared by Dr. Vivek Joseph and under his guidance three Students of B.Tech Ist Year delivered the Lecture. These Lecture cover the 100 years Development in the field of Cosmology from General Theory of Relativity in 1916 to latest development in 2016. Ms. Aishwarya Bhat, delivered a valuable Lecture apprising the audience on the Early Development in Cosmology and theory of Relativity. Ms. Palak Bisht presentation highlighted the research conducted during the middle vial period of the Study and the Big Bang Theory Model in the Cosmology. Ms. Auprva Mitra the last speaker for the day throws ample light on the latest development and researches conducted in Cosmology. The Event was blessed by the presence of Hon’ble Vice Chancellor Prof.(Dr.) A. K. Mittal, BBD University. Sir, while addressing congratulated the Speakers for their sincere efforts and motivate the students to come forward and participate in such Academic Activities. He also address on the need of Research in the field of Academics for the up gradation in Science and Technology. The Audience comprising of B.Tech Students was overwhelmed by the presentations made by their friends and knowledge imparted to them by Prof. M. M. Verma who has worked in the International Laboratories in the same field publishing his research work in reputed international journal. Present on this occasion were Dr. Seethalekshmi k., Director BBDNITM, Prof.(Dr.) S. Ahmad Ali, Dean, School of Applied Science, BBD University, Dr. S. H. Abdi, Controller of Examination, BBDNITM, Various Head of the Department and Faculty Members. Atlast Dr. Vivek Joseph, Head Department of Mathematics, BBDNITM gave the vote of thanks.
