9 Organizational chart

10	Student feedback mechanism on institutional/faculty performance	<p>There are multiple Mechanism at different levels for students feedback on Institute Governance/ Faculty Performance as given below:</p> <p>(i) There is a Faculty Advisor scheme where a batch of 60 students is further divided in two sections of 30 students each and for each Subsection; one faculty member is deputed as Faculty Advisor (FA), who acts as a Friend-Philosopher Guide to the students. The Faculty Advisor conducts a forthrightly meeting with its Subsection, where FA shares students attendance of last forthright with them, discusses shortage of attendance on individual student basis if any, takes feedback on teaching, learning difficulties, difficulties related to administration & other Campus Facilities etc. The feedback is noted by FA and depending upon level and severity of the problem, the FA either coordinates on himself for its resolution or escalates it to the HOD for further redressal. In case of the issues related to Faculty Performance, the HOD takes up the issue with concerned faculty member directly or indirectly to ensure the rectification of problem. For all administrative and academic issues beyond his authority and control, the HOD escalates the same to the concerned higher authorities of the College and facilitates timely redressal to the students.</p> <p>(ii) There is another provision of direct students feedback on the Faculty Performance as well as other facilities normally once in a semester, where the students' feedback are then compiled, consolidated and summarized by HOD and submitted to the director for its review.</p> <p>(iii) Alternatively, in case of any emergent problem faced by student, individual student may write his/her grievance to HOD and /or DSW and /or Director of the college against which the concerned authority initiates remedial / redressal action on case to case basis.</p>
11	Grievance redressal mechanism for faculty, staff & students.	<p>(i) Faculty & Staff A Co-ordination Committee comprising of Secretary of Governing Society, Chief Executive Director, All Directors, Dean (Students' Welfare), Controller of Admission and Examination and Deans/HOD's of all respective Faculty /Department used to meet once in a month. Apart from planning, organizing and co-ordinating academic, administrative and operative activities, mobilization and facilitation of resources, the Co-ordination Committee undertakes the grievance redressal activity too. The Co-ordination Committee is also empowered to constitute a Grievance-specific Sub-Committee for its redressal opting Senior Faculty Members apart from members from Co-ordination committee for the purpose. For handling grievances specially related to female faculty and staff members, a separate Women Cell is constituted under the Co-ordination Committee</p> <p>(ii) Students A committee comprising of Director, DSW, Controller of Admission and Examination and Deans/HOD's is there for Students Grievance Redressal. The student may submit his/her grievances/suggestions in writing to any level he/she deems fit or comfortable with, ranging from Faculty Advisor, Batch Coordinator, Dean/HOD, DSW, and Director to Management.</p>

Department has organized an Essay Writing Competition in collaboration with Sahaj Marg Research & Training Institute (Which is collaborated with United Nations) .The event was conducted in September 2009 at inter college level.

Consultancy Activities:

Consultancies Offered

1. Consultancy been offered to U.P Police (CB-CID) under their World Bank Modernization Scheme .Duration of the consultancy :(01 year ,starting from 2004).
2. Consultancy been offered to U.P Police (EOW) under their World Bank Modernization Scheme .Duration of the consultancy :(06 months, starting from 2004).
3. Consultancy been offered to Army Cantonment Board, Lucknow on a confidential project. Duration of the consultancy :(01 year: starting from 2004).

Projects

1. Project on Non-Conventional Energy Source been undertaken at NEDA, Lucknow the title of the project is – Microprocessor based Sun Tracker
2. Project on safety measures on Railway tracks submitted for approval in RDSO, Lucknow title of the Project is- Anti Collision Device for Indian Railway.

Grants Fetched:

Defense Research & Development Organization Project (Sponsored Research Project)

Defense Research & Development Organization has sanctioned a project title “Development of a millimeter wave passive sensor for off route mines application” at a cost of Rs. 10 lakhs (approx.) for duration of two Yr.(P.D.C.). The proposed projects include design, study of a millimeter wave passive sensor for short range application in detection of vehicles etc. It will be difficult to jam the system by adversary.

14	L & T, Sarojini Nagar, Lucknow	Mar., 2009
15	L & T, Sarojini Nagar, Lucknow	Oct, 2009
16	L & T, Sarojini Nagar, Lucknow	Nov., 2009

Consultancy Activities:

Name of the Organization	Duration	Title of Assignment	Name of the Faculty Member
BSES, New Delhi	09 months	Detailed Engineering of 220/66/11 KV and 66/11 KVS/s at Manesar, Haryana.	Prof. P.N. Srivastava
UP Badminton Academy Association	18 months	Electrification of U.P. Badminton Hall	Mr. Rishi Asthana
Parag Dairy, Lucknow.	12 months	Automation of Control Panel	Mr. Nitin Jain
Non Conventional Energy Resource Center, Lucknow	12 Months	Design of Power Inverter using Solar Techniques	Mr. Atul Kumar Dwivedi

BBDNITM, NIEC & UPDCRC	02 Months	Estimation of Load and back up Generator Required	Mr. Virendra Kumar Maurya
------------------------	-----------	---	---------------------------

2) Ongoing Research in the Department:

Sl.No.	Name of the Faculty Member	Designation	Research Topic
1.	Mr. Rishi Asthana	Asst. Prof.	System Designing using UML
2.	Mr. Nitin Jain	Asst. Prof.	Performance Enhancement of TCP/IP Protocol in Wireless Environment

3) Prominent Projects done by Students:

Sl.No.	Name of the Project	Organization / Industry	Name of Coordinators	Duration/ Date
1.	Cell Phone Controlled Remote Detector and Fire Extinguisher	BBDNITM	Mr. Rishi Asthana	2009
2.	Automatic Railway Gate Control and Track Switching	BBDNITM	Mr. Suresh Chand	2009
3.	Object Tracking System Mounted on Air Craft	BBDNITM	Mr. Virendra Kr. Maurya	2009
3.	Electric Automotive Gear Transmission System	BBDNITM	Mr. Nitin Jain	2008
4.	Automatic Railway Gate Controller at Unmanned Crossing	BBDNITM	Mrs. Shubhra	2008
5.	Automatic Lift using Magnetic Levitation	BBDNITM	Mr. Atul Kr. Dwivedi	2008
6.	DC operated Car	BBDNITM	Mr. Rishi Asthana	2007
7.	Computerized Control of Electrical Devices & Equip.	BBDNITM	Mr. Nitin Jain	2007
8.	Telephone Line Based Generic Switching System Using cell Phone	BBDNITM	Mr. Atul Kumar Dwivedi	2007

4) Sponsored Projects:

4.1) Non Conventional Car Sponsored by NEDA, Lucknow :

A Non-Conventional Car has been made which is driven by the sun light. It consists of Electric Motor which gets supply from Electric Battery that will be charged from the Solar Panels. It is more economical, pollution free, noise less and with absolute no vibrations. As the oil prices are rising up and the oil sources are shrinking, this Non-Conventional Car will be the best substitute as compared to the existing Conventional Cars.

4.2) Award Winning Projects:

4.2.1) SOLARIS:

Model of Solar Energy Plant with See-beck Effect, got the First Prize in IIT Kharagpur in Dec. 2008.

4.2.2) SPUTNIK:

Prototype Model of a Satellite got the First Prize in IIT Kharagpur in Dec., 2008.

16	Boys Hostel	209 Triple Seated Rooms, Total 7340 sq m..
	Girls Hostel	118 Triple Seated Rooms, Total 4560 sq m.
	Medical & Other Facilities at Hostel	There is 24X7 on-campus medical facilities for the students having a team of qualified doctors on duty in Medical OPD. In addition there is tie up with two reputed Hospitals of city along with the facility of College-owned Ambulance facility.

17	Academic Sessions	July to June
	Examination System, Year/ Sem.	Semester
	Period of Declaration of Results	Odd Semester: Jan-Feb every year Even Semester: Jun-July every year

18	Counseling/ Mentoring	The students' Counseling & Mentoring is facilitated by <ul style="list-style-type: none"> • Faculty Advisors in the Department on regular basis. • HODs/ Sr. Faculty Members in the Department on periodic basis • Training & Placement Cell through External Experts/ Counselors.
	Career Counseling	Various Expert Sessions and Career Workshops are conducted by the Department as well as by the T&P Cell by inviting Senior Technical / HR professionals, Career Counselors / Experts from various national/ international industries, educational and career consultancy providers on regular basis. Distinguished alumni working at the higher level in various reputed organizations are also invited for delivering the career guidance talk to our students with interactive session.
	Medical Facilities	There is 24X7 on-campus medical facilities for the students having a team of qualified doctors on duty in Medical OPD. In addition there is tie up with two reputed Hospitals of city along with the facility of College-owned Ambulance facility.
	Students Insurance	All the students are covered under UPTU Student Welfare fund, under which there is provision of compensation of 1 Lakh Rupees and Tuition Fee waiver for the remaining duration of the program in case of untimely demise of either of the parents. There is a also a provision of compensation to parents in case of untimely demise of the student. In addition to above the college has a provision for Student's Insurance under the Group Insurance Scheme of GIC of India.

19	Students Activity Body	There are various students' Societies/ clubs at Institution as well as Department levels which undertake variety of cultural, literary, technical and sports activities at their respective levels throughout the year.
----	-------------------------------	---

Students' societies at institution level:

1. KARMAVESH - Cultural, Literary & Fine Arts Society
2. TECHNOVIBES - Technical Society
3. ABHINAY-Drama Club.

Students Societies at Department Level:
