### **3. Workshops: Teaching Design**

It has been seen that most teachers of architecture are professional architects who joined teaching without any prior training. This posits difficulties for the teacher and affects the teaching standards especially of design since it is considered to be 'subjective'. However, no teaching can be done without clear cut objectives. To overcome this situation the Department of Architecture is organizing a four day workshop on 'Teaching Design.' Prof. M.M. Nangia conducted this workshop from 25.02.10 to 04.03.10. All faculty members attended.

### **4. Study tours**

#### *First Year:*

1. Local sightseeing tours to the famous monuments of Lucknow, Residency and Bara Imambara were organized for the first year students to expose them to the local architecture. They also did sketching exercises there.
2. First year students went to Ayodhya and Faizabad for their study tour. They visited Ramjanam Bhumi, Dusrat Ghat and Mandir, Ram ki Paudi, Hanuman Garhi and other temples there.

#### *Second year*

1. Second year students visited Jaunpur for their study tour as part of their history of architecture program. They spent time at the Lal Darwaza Mosque, Jaunpur Fort, and Atala Mosque among other monuments.
