

Bio sketch

Area of Interest

Embedded Systems, Internet of Things & Automation

Education

M.Tech – Computer Science Engineering, Amity University Rajasthan

B.Tech – Computer Science Engineering, Amity University Rajasthan

Academic / Industrial Experience

1. Assistant Professor , Babu Banarasi Das Institute of Technology & Management , 2020 - Present
2. Assistant Professor ,Biyani Institute of Science & Management , Jaipur , 2019-2020
3. Research Engineer , Transcompe Educare Private Limited , Jaipur , 2016-2019

Publications

1. Research paper published in National Conference ECTME-14 held at Jaipur entitled "A comparative study of Embedded Hardware platform in design of Humanoids."
2. Research paper published in International Conference ICRTIET-2014 held at Ghaziabad entitled "Enhancement of Industrial automation using single board computer network."
3. Research paper published in National Conference ACTN-2017 held at MNIT Jaipur entitled "High Performance Disparity Map Estimation using Multithreaded Stereo Camera on Single Board Computer".
4. Research paper published in International conference BICON-2019 held at Biyani Group of Colleges , Jaipur entitled "Delivering Smart Education using IOT based Cloud App".
5. Research paper published in National conference Recent Application of Mathematics in Science & Technology 2019 at AIETM, Jaipur entitled "Integrating Whatsapp with dialogflow for telemedicine consultation".
