

Biosketch

Faculty Name: Mohit Choubey

Areas of Interest:

Soil Mechanics, Concrete Technology, Reinforcement Cement Concrete

Education

- M.Tech, Kamla Nehru Institute of Technology, Sultanpur
- B.Tech, Babu Banarasi Das University, Lucknow

Academic/Industrial Experience

1. Assistant Professor, Civil Engineering, BBDITM, 2017-Present

Selected Publications

1. Saurabh Singh, Tanmay Singh Chauhan, Mohit Choubey (2021), Design and Survey of a Railway Over Bridge(ROB), International Journal of Scientific Research in Engineering and Management 05,06, 01-05 (Impact factor-6.714)
2. Mohit Choubey, Suraj Kumar Singh, Umesh Dubey, Rohni Raman Pandey, Virendra Dubey (2020), Construction of Rigid Pavement, International Journal of Creative Research Thoughts 3994-3997 (Impact factor-7.97)
3. H.K. Gupta, Mohit Choubey (2021) Soil Stabilization Using Waste Shredded Rubber Tyre Chips with Addition of Cement, International Journal of Creative Research Thoughts 09 (09), c100-c106 (Impact factor-7.97)
4. Mohit Choubey, Ajay Swaroop, Adil Amin (2021), Geotechnical Improvement of Weak Soil, International Journal of Scientific Research in Engineering and Management 05 (05), 1-5. (Impact factor-6.714)
