

Biosketch

Faculty Name: SURAJ SRIVASTAVA

Areas of Interest:

Engineering Mechanics, I.C. Engines & Compressors, Manufacturing Processes & Engineering Graphics & Design

Education

- M.Tech, PEC University of Technology, Chandigarh
- B.Tech, Lovely Professional University, Punjab

Academic/Industrial Experience

1. Assistant Professor, Mechanical Engineering, BBDITM-Lucknow, 2018-Present

Selected Publications

1. S. Srivastava, B. Sherpa, G. Singh (2017), “Numerical Simulation of Explosive welded Steel with Aluminum using Autodyn 2D”, 1378-1382 (Citation-02, Impact factor- 5.18)
2. S. Srivastava, V. Singh (2018), “Design and Fabrication of wooden Lathe Machine”, 1098-1101 (Citation-0, Impact factor- 4.3)

Other Details:

1. NPTEL certification on “Teaching and Learning in Engineering (TALE)” by IISc Bangalore.
2. NPTEL certification on “Non-Conventional Energy Resources” by IIT Madras.
3. NPTEL certification on “Innovation, Business Models and Entrepreneurship” by IIT Roorkee.
4. NPTEL certification on “Accreditation and Outcome based Learning” by IIT Kharagpur.
5. NPTEL certification on “Engineering & Graphics Design” by IIT Madras.
