Affiliated To    : Dr. A. P.  J. Abdul Kalam Technical University, Lucknow

# BRIGHT STUDENT POLICY

**1.0     Objective:**

The primary objective of the proposed scheme is to motivate the students of Institute to participate in different curricular & co-curricular activities, research & innovation, social and other academic activities, so as to transform in a professionally competent and socially sensitive engineer.

Another objective is that Students who have an excellent academic record are recognized. Functions are held to honour students who have excelled academically. Mementos are also provided to students to encourage them to continue their academic excellence, to take on micro projects, and to engage in inter-college national/international fests, as well as to participate in competitive tests.

**2.0     Scope:**

This scheme covers all students of the Institute. The scope of the scheme envisages, in particular:

➢ To motivate students to contribute in basis research activities apart from basic teaching & learning process.

➢ To encourage creativity and innovation among the students.

➢ To motivate student for attending classes / lab beyond minimum requirements through modes of applying and analyzing their knowledge.

➢ To encourage students to submit their ideas / projects under different government. Public sector, industries and organization schemes.

➢ To create an eco-system for innovative teaching-learning process and research activities.

**3.0     Research Publications:**

If a research paper is published based on his/her work in hard copy or in electronic form in the national and international journals, he / she will be awarded following amount: -

(a) SCI or ESCI Journal                         Rs. 3000/-
(b) Scopus Journal                               Rs. 2000/-

**4.0     Participation in Different Challenges and Schemes:**

All students are expected to participate in different challenges and schemes time to time by different agencies and organizations. Such proposal may even involve some research study / survey, working in different labs / set ups in supervision of some external guide / members. The following amount will be paid to the student as per categories mentioned.
