Dear Sir,

We are glad to inform you that we have successfully onboarded the students to Springboard portal.

Out of **1621**– student details we received, **1619** got registered and **1** student seems to have registered on their own.

The students can start exploring the platform, <https://infyspringboard.onwingspan.com/> and use the email ID shared with us as the User ID.

- First time login password for ids we created: Springboard@!23
- Students will be prompted to change/reset their password up on first time login.
- Students can reach out to support team ID Springboard-support@infosys.com for any questions, clarifications, and technical issues etc.

Regards,

Springboard Support Team
