about the five elements of the earth and how they are degraded by humans' day by day activities. He emphasised on the agenda that non-renewable resources need attention as these resources are in limited quantity. A play on theme "Save Earth" was presented by the students of GLBITM. After the mind-opening play performance with an emotional touch, the Chief Guest Dr. R. K. Sinha enlightened all the participants with his words on "How technology and E-generation cause the degradation of the natural environment". He emphasized that only technology can solve the problems created by the technology itself. He discussed with the examples of Japan & America explaining how both of the countries specialised in their own technique but Japan is the only developed nation across in Asia with its techniques of preserving its nature and resources. After his speech, Dr. Shashank Awasthi, Dean - Strategy, delivered the Vote of thanks. Subsequently, an oath taking ceremony was conducted with all the participants and guests to "Save Our Earth".

The event ended with the Tree plantation in the presence of Shri. Pankaj Agrawal, Vice Chairman, GLBITM along with Dr. R. K. Sinha, Vice-Chancellor, GBU, (Chief guest) Dr. Trilochan Singh Earth Scientist (Expert Speaker), Mr. Kartikay Agrawal, Management Representative, Dr. Rajeev Agarwal, Director, GLBITM and HODs of all departments. The whole event was witnessed by more than 200 attendees both through offline and online mode including 178 students from GLBITM.
