Dr Meetu Pandey Associate Professor, Department of Management, BBDITM

Dr Apoorva Srivastava from EE, BBDITM

7. Expenditure of the event: Rs 800/

8. Objectives:

1. The objective of celebrating this event is to strengthen our education institution and system.
2. All people who are involved in the field of education should come together to share their views and knowledge.
3. Events like debate, Slogan Writing and poster making will foster their intellect.

9. Outcome of the event:

On this day All the Students and teachers come together to talk about the importance of literacy and the nation's commitment to all aspects of education. They interact, evaluate and understand the system of education. They participate in various activities which is helpful to enhance their skills. They understand their creativity level by performing in such kind of activity which is very much essential for their multidimensional development. With studies co-curricular activities make students more creative and frequent in every manner. Children come out of their hesitation. All over it is very beneficial for faculties as well. They communicate with students apart from classroom, it creates a special bond with them.
