2. To develop the concept of Self exploration regarding their life career goal.
3. To make students clear that values are very much necessary with skills.
4. Students will understand how to recognise their aspirations and work for it.

## **9. Outcome of the event:**

In terms of learning, webinar was really insightful. Mr Prabhat kumar jha ji started with the very basic structure of life. what are values? Why we need to follow these values, moral and ethics. In the webinar our eminent speaker focused on how to do work with happiness. Student need to live disciplined life because everyone has some goal in their life and to achieve it we need to be determined. Human Values starts with the Self to the world so self-exploration and self-analysis is very important.

With the help of this talk students come together and got a platform and an experienced person to solve their queries. In this talk they gained the knowledge about how to work with self, how to focus on their studies as well as skill development.
